

Black and White Digital Copiers

AC116

- Copy/print speed of 16-ppm
- Standard copy/print/scan/fax configuration
- Up to 600 x 600 dpi resolution
- 251 sheet maximum paper capacity
- Up to 8.5" x 14" paper size
- Standard GDI
- Standard USB 2.0
- Standard 50 sheet Automatic Document Feeder
- Super G3 33.6 Kbps fax modem with JBIG compression
- Scan-to-Flash ROM (USB)

LD220F/SPF Series

- Copy/print speed of 21-ppm
- Two optional configurations
- Optional 80 GB HDD includes HDD Overwrite and Encryption
- Up to 600 x 600 dpi resolution
- Standard duplexing
- 1,350 sheet maximum paper capacity
- Up to 8.5" x 14" paper size
- Standard PCL5e/6 and Vista support
- Standard Genuine Adobe® PostScript® 3™
- Standard USB 2.0 and 10/100Base-TX Ethernet
- Optional IEEE 802.11a/b/g, Gigabit Ethernet and IEEE 1284
- Standard 50 sheet Automatic Document Feeder
- Super G3 33.6 Kbps fax modem with JBIG compression
- Scanning capabilities include color scanning and Scan-to-Media
- Advanced security features

LD117 Series

- Copy/print speed of 17-ppm
- Three optional configurations
- Optional 80 GB HDD
- Up to 600 x 600 dpi resolution
- Standard duplexing
- 1,350 sheet maximum paper capacity
- Up to 8.5" x 14" paper size
- Standard PCL5e/6 and Vista support
- Optional Genuine Adobe® PostScript® 3™
- Standard USB 2.0 and 10/100Base-TX Ethernet
- Optional IEEE 802.11a/b/g, Gigabit Ethernet and IEEE 1284
- Standard 50 sheet Automatic Document Feeder
- Super G3 33.6 Kbps fax modem with JBIG compression (standard on LD117F and LD117SPF only)
- Scanning capabilities include color scanning and Scan-to-Media
- Advanced Security Features

SP3400SF/3410SF

- Copy/print speed of 30-ppm
- Standard copy/print/scan/fax configuration
- Up to 600 x 1,200 dpi resolution
- 250 sheet standard paper capacity expandable to 550 sheets
- Up to 8.5" x 14" paper size
- Standard PCL6 and PostScript3 emulation
- Standard USB 2.0, 10/100Base-TX Ethernet and IEEE 1284
- Standard 35 sheet Automatic Document Feeder
- Super G3 33.6 Kbps fax modem with MH, MR, MMR compression

518 Cheyenne Drive
Jefferson City, MO 65109
573-893-4545

Black and White Digital Copiers

MP2352/2852/3352 Series

- Copy/print speed of 23/28/33-ppm
- Copy/print/color scan - fax is optional
- Up to 600 x 600 dpi resolution
- Standard duplexing
- 3,150 sheet maximum paper capacity
- Up to 11" x 17" paper size
- Standard PCL5e/6
- Optional Genuine Adobe® PostScript® 3™
- Standard USB 2.0 and 10/100Base-TX Ethernet
- RM7035C 533MHz processor
- Optional IEEE 802.11a/b/g, Wireless LAN, Gigabit Ethernet Bluetooth or IEEE 1284 Parallel
- Optional 50 sheet ARDF (Standard on SP models)
- Super G3 33.6 Kbps fax modem with JBIG compression and Auto Fallback
- Finishing options including a 500 and 1,000 sheet Finisher plus a 1,000 sheet Booklet Finisher with optional 2/3 Hole-Punch
- Advanced security features

LD140/LD150 Series

- Copy/print speed of 40/50-ppm
- Copy/print/color scan
- Up to 600 x 600 dpi resolution
- Stackless duplexing
- 4,400 sheet maximum paper capacity
- Up to 11" x 17" paper size
- Standard Lanier PCL5e/6
- Optional Genuine Adobe® PostScript® 3™
- Standard 10/100Base-TX Ethernet
- Optional IEEE 802.11a/b/g, Bluetooth and IEEE 1284, Gigabit Ethernet
- Optional 100 sheet Automatic Reverse Document Feeder
- Super G3 33.6 Kbps fax modem with JBIG compression and Auto Fallback
- Finishing options including a 1,000 and a 2,000 sheet Booklet Finisher with optional 2/3 Hole-Punch
- Advanced security features
- Extensive document and system management tools

LD360/LD370/LD380/LD390

- Copy/print speed of 60/70/80/90-ppm
- Copy/print/scan/fax (option)
- Up to 1,200 x 1,200 dpi resolution
- 8,300 sheet maximum paper capacity
- Up to 11" x 17" paper size
- Standard Lanier RPCS™ and PCL5e/6
- Optional Genuine Adobe® PostScript® 3™
- Standard USB 2.0 and 10/100Base-TX Ethernet
- Optional IEEE 802.11a/b/g, Bluetooth, Gigabit Ethernet and IEEE 1284
- Standard 150 sheet color single pass duplex Automatic Document Feeder
- Super G3 33.6 Kbps fax modem with JBIG compression plus LAN Fax, IP (T.38), Internet Fax (T.37) and Automatic Fax Forwarding to Email/Folder
- Finishing options including a 3,000 sheet Finisher with 100 sheet stapler, a 3,000 sheet Finisher with 50 sheet stapler, a 2,000 sheet Finisher with Saddle-stitch, 9-Bin Mailbox, Cover Interposer, Multi-Folding Unit, 2/3 Hole-Punch Unit, GBC StreamPunch III and a Production Booklet Maker
- Enhanced TWAIN scanning and Scan-to-USB/SD
- Advanced security features, document and system management tools
